Students' Sharing Program 2009

Dear Parents,

To better prepare and support your daughters for the first Hong Kong Diploma of Secondary Education (HKDSE) Examination in 2012, the Parent Teacher Association is organizing a Students' Sharing Program, in which Form 6 schoolmates and some past students will share with your daughters their life motto and their experiences in dealing with HKCEE or HKALE.

With this sharing, we hope the seed of positive thinking will be planted in your daughter's heart, so that our girls can deal with their forthcoming challenges positively.

The program will be scheduled as follows:

Students' Sharing Program 2009 - Schedule

The program is a school activity. Compulsory attendance is expected.

We believe with their active participation, they will experience a memorable and rewarding sharing program. If they can grasp a word or a phrase that inspires them, this may become their own life motto, and their momentum to move on. Please encourage them to actively participate in the program, and share with you what has inspired them most after the event.
